XI'AN JIAOTONG UNIVERSITY

# INTERNATIONAL POSTGRADUATE PROGRAMS

---

2026

Xi'an Jiaotong University (XJTU), founded in 1896, is a national key university directly under the administration of China's Ministry of Education. As one of China's top ten research-intensive universities and a member of the C9 League—China's equivalent of the Ivy League—it operates as a comprehensive research university, encompassing 11 major disciplinary categories, including science, engineering, medicine, economics, management, humanities, law, philosophy, art, education, and interdisciplinary studies. Nearly 4,000 international students from over 130 countries and regions are currently pursuing their studies at XJTU. In 2013, the university was designated by China's Ministry of Education as a “Demonstration Base for International Education” . In 2024, XJTU achieved the highest rating of Class A+ in the re-certification of higher education quality for international students in China. In the 2025 Shanghai Ranking’ s Academic Ranking of Chinese Universities, XJTU secured the 10th position.

Applicants should submit their applications through the Xi'an Jiaotong University International Student Application System. The scholarship applies to the first year of the degree program.

## Admission Notification

1. Admission will be given to the outstanding candidates based on the comprehensive review results of application documents, interview, and (or) examinations, etc. The university will decide whether to grant a scholarship to the applicant and which scholarship or allowance level to grant according to the ranking of comprehensive review results as well as the seats of each scholarship in that year.
2. Make sure your email, telephone number, and postal address correctly be filled in the application system as they are key to getting you contacted during the admission process. Failure to respond to the university in time as required may lead to automatic rejection.
3. As a general rule, applicants are not allowed to change their study status information such as university, category, major, teaching language, study duration etc. once they get admitted.
4. The university will provide the Admission Notice, JW201/202 form (Confirmation Form for Study in China) for the admitted applicants to apply for X visa to come to China. Those who are with other types of visa will not be allowed for registration at XJTU.
5. Admitted applicants should register at XJTU strictly in accordance with the date, and place prescribed on the Admission Notice (usually in September, and the specific time depends on the admission letter). Failure to do so within two weeks will result in the admission and scholarship status being invalid.
6. At the time of registration, the school will make a qualification review to re-evaluate the eligibility of the student. As part of the qualification review, the school will recheck all the documents and personal information of the student, including identity information, original graduation and degree certificates, language proficiency certificates, etc. The school will also check the behavior of the student to ensure that they are a law-abiding citizen and have maintained good moral conduct before the registration period. Please bring the Original Highest Diploma and Original Physical Examination Record for Foreigners and Blood Test Report for registration. Those who fail to pass this qualification review will be disqualified from admission and scholarship status.
