XI'AN CHINA

# KNOW ABOUT XJTU

Xi'an Jiaotong University (XJTU), is the **national key University** directly administered by the Ministry of Education of China. It is the **top 10** Research University in China and member of **China's Ivy League - C9 League**.

Established in **1896**, XJTU has a history of over **128** years.

XJTU is a **comprehensive research university** with **11** major categories of disciplines including science, engineering, medicine, economics, management, humanities, law, philosophy, art, education, and interdisciplinary.

 **34** Schools

 **3** Affiliated Hospitals

 **4** Campuses  
Xingqing, Yanta, Qujiang, iHarbour

 **4 million** m<sup>2</sup>  
cover area

**59662**  
Students

**24539**  
Undergraduates

**31194**  
Postgraduates

**3929**  
International Students

**3755**  
Academic Staffs

**1475**  
Professors

Introduction Video

## WHY XJTU?

A Leading University in China

XJTU ranked **1st** in central and western China and is excellent both domestically and internationally.

XJTU offers undergraduate, master's and PhD degree programs and Visiting Scholar programs in its competitive disciplines, and recruits international students from all over the world.

**1 TOP 1%**  
discipline

**6 TOP 1%**  
discipline

**19 TOP 1%**

# EXCHANGE PROGRAMS

## English-Taught Undergraduate Visiting Student Programs

Leveraging its globally leading disciplines in Mechanical Engineering, Electrical Engineering, Energy & Power Engineering and Materials Science & Engineering, XJTU offers one of the most industry-integrated, faculty-rich, and practice-oriented English-taught undergraduate engineering programs worldwide. Both long-term and short-term exchange opportunities are available to global students.

Application Schedule	Rolling admission
Program Duration	Students can choose one semester or 1 - academic - year exchange program based on your learning schedules.
Application Eligibility	<div>1. Applicants must be non-Chinese citizens with valid ordinary passports;</div> <div>2. Applicants must be in good health;</div> <div>3. Applicants must be current registered full-time undergraduate students and be under 45 years of age;</div> <div>4. Applicants must possess relevant academic background and basic English proficiency.</div>

### Application Process

Log in to the Xi'an Jiaotong University online application system: <http://isso.xjtu.edu.cn/recruit/login>, select the "Visiting Scholar" program—General Visiting Student, fill in the required information, upload documents, and click submit to complete the application.

### Fees

25000\$/year, 12500\$/semester

*\*Tuition fees in USD may vary depending on the exchange rate. For the most up-to-date information, please refer to the official website of Xi'an Jiaotong University(<https://sie.xjtu.edu.cn/en/index.htm>).*

### Programs Offered

Electrical Engineering and Automation  
Intelligent Manufacturing Engineering  
Energy and Power Engineering  
Materials Science & Engineering

## Program Highlights

### Cutting-Edge Technologies Integration

Shape the future of industries with courses covering Industry 4.0, smart grids, fusion energy, and other cutting-edge fields driving the energy and manufacturing revolution.  
Foster interdisciplinary innovation by integrating AI, big data, and the metaverse to cultivate cross-disciplinary engineering leaders.

### World-Class Faculty

Full-time faculty members are graduates of top global institutions such as Oxford, EPFL, the University of Tokyo, and Tsinghua University.  
Guest lectures and forums by academic leaders, including Cambridge scholars and Nobel laureates, to broaden cross-disciplinary cultural perspectives.

### Practice and Career-Driven

Industry-academia collaboration with global leaders like Huawei, BYD, and State Grid for internship practice.  
Graduates are highly sought after by top-tier companies in energy, manufacturing, and technology sectors, with direct access to core industry roles.

### Global Network Empowerment

Accredited by the Washington Accord, enabling graduates to pursue further studies or employment in 58 member countries, including the US, UK, and Australia.  
Exchange programs with prestigious universities like Cambridge, Bath, Politecnico di Milano, and the National University of Singapore to expand global perspectives.  
Study alongside future global elites and build a cross-cultural professional network.  
A comprehensive platform for academic, professional, and networking growth.

# Xi'an Jiaotong University High-Level Visiting Research Students from World Renowned Universities Program (VRS Program)

Xi'an Jiaotong University (XJTU) has launched the “High-Level Visiting Research Students from World-Renowned Universities”program (VRS Program). This initiative invites outstanding graduate students from top 500 global universities to join XJTU for short-term research internships, providing a unique opportunity to work alongside leading professors in a vibrant academic community while experiencing the rich cultural heritage of Xian, China.

Application Schedule	Rolling admission
Program Duration	Students can choose to apply for a 3 - month, 6 - month, or 1 - academic - year exchange program based on your learning schedules.
Application Eligibility	1. Applicants must be non-Chinese citizens with valid ordinary passports; 2. Applicants must be in good health; 3. Applicants must be outstanding postgraduate students from top 500 global universities.

## Application Process

1. Supervisor confirms acceptance intention.
2. The supervisor's school/department reviews the prospective candidate.
3. Students log in to the Xi'an Jiaotong University online application system: <http://isso.xjtu.edu.cn/recruit/login>, select the "Visiting Scholar" program, fill in the required information, upload documents, and click submit to complete the application.

## Fees and Scholarships

### 1. Fees (USD/Academic Year):

English-taught Programs					
	Science & Engineering	Business/ Economics/ Humanities	Arts/ Clinical Medicine	Dental Surgery	Pharmacy
Master	5,580	4,290	7,150	7,150	4,290
PhD	6,290	4,860	7,150	7,150	4,290

*\*Tuition fees in USD may vary depending on the exchange rate. For the most up-to-date information, please refer to the official website of Xi'an Jiaotong University(<https://sie.xjtu.edu.cn/en/index.htm>).*

### 2. Scholarships:

Students may apply for various levels of scholarships, including tuition waivers, free accommodation, and living allowance.

# POSTGRADUATE DEGREE PROGRAMS

## Xi'an Jiaotong University International Postgraduate Programs

Xi'an Jiaotong University offers a diverse range of master's and doctoral programs, covering nearly 80 majors taught in both Chinese and English, and welcomes applications from international students worldwide.

Application Schedule	November 1 - April 15 of the following year
Program Duration	Master's degree: 2~3 years Doctoral degree: 3~6 years
Application Eligibility	1. Applicants must be non-Chinese citizens with valid ordinary passports; 2. Applicants must be in good health; 3. Applicants for a Master's degree must have a Bachelor's degree and be under 35 years of age, Applicants for a Doctoral degree must have a Master's degree and be under 40 years of age; 4. Applicants may not receive any other types of scholarship.

## Application Process

Log in to the Xi'an Jiaotong University online application system: <http://isso.xjtu.edu.cn/recruit/login>, select the "Master program/Doctoral program", fill in the required information, upload documents, and click submit to complete the application.

## Fees and Scholarships

### 1. Fees (USD/Academic Year):

English-taught Programs					
	Science & Engineering	Business/ Economics/ Humanities	Arts/ Clinical Medicine	Dental Surgery	Pharmacy
Master	5,580	4,290	7,150	7,150	4,290
PhD	6,290	4,860	7,150	7,150	4,290

*\*Tuition fees in USD may vary depending on the exchange rate. For the most up-to-date information, please refer to the official website of Xi'an Jiaotong University(<https://sie.xjtu.edu.cn/en/index.htm>).*

### 2. Scholarships:

Students may apply for various levels of scholarships, including tuition waivers, accommodation fee reductions, and living allowance.

# SCHOOLS AND PROGRAMS OFFERED

## 1. Schools

School of Mechanical Engineering	School of Chemistry
School of Electrical Engineering	School of Human Settlements and Civil Engineering
School of Energy and Power Engineering	School of Law
School of Materials Science and Engineering	School of Management
Faculty of Electronic and Information Engineering	School of Public Policy and Administration
School of Chemical Engineering and Technology	School of Economics and Finance
School of Life Science and Technology	School of Journalism and New Media
School of Instrument Science and Technology	School of Humanities and Social Science
Frontier Institute of Science and Technology	School of Marxism Studies
School of Aerospace Engineering	School of Foreign Studies
School of Mathematics and Statistics	Health Science Center
School of Physics	

## 2. Programs

Program List (Master)

Program List (PhD)

Program List (Exchange Programs)

Please refer to the official website of Xi'an Jiaotong University for the informations on Chinese-taught Programs at all levels (<https://sie.xjtu.edu.cn/en/index.htm>).

### Estimated Living Expenses (for International Students)

To help international students plan their study and life in Xi'an, Xi'an Jiaotong University provides the following estimates for monthly living expenses. Actual expenses may vary depending on individual lifestyle.

*Note: Expenses may vary depending on housing type, lifestyle, and personal habits. The aforementioned prices are subject to variation based on the annual exchange rate.*

*Living in Xi'an provides international students with a safe, convenient, and culturally enriching environment, at a relatively affordable cost. The university strives to support students with comprehensive facilities and resources to make their campus life comfortable and enjoyable.*

<b>Accommodation (USD):</b>	
On-campus housing: based on different campuses	
Standard double room:	1380–1520 (per year)
Single room:	1250–2630 (per year)
Off-campus shared apartment:	200–350 (per month)
<b>Meals (USD):</b>	
University canteens:	150–250 (per month)
Dining out:	3–15 (per meal)
<b>Transportation (USD/Per Ride):</b>	
Public transportation (metro/bus):	0.20–1
On-campus mobility (shared bikes, e-scooters):	0.10–0.40
Occasional taxi/ride-hailing:	1–5
<b>Other Daily Expenses (USD/Per Month):</b>	
Mobile phone and internet:	4–14
Personal care and toiletries:	13–40
Stationery and study supplies:	7–20
Clothing (seasonal):	15–40
<b>Insurance (USD/Per Year):</b>	
Medical insurance :	110

# CAMPUS LIFE

## Campus with fully equipped facilities

University offers various types of accommodation, each equipped with air conditioning and a bathroom.

Sports fields, laboratories, and engineering workshops are all fully equipped.

The cafeteria offers a diverse selection of food.

Laboratories

Café

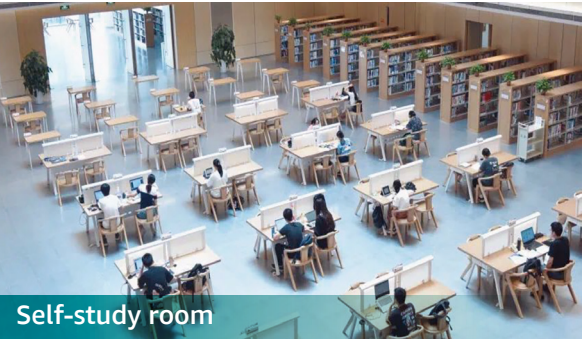

Classroom

Cafeteria

Dormitories

Self-study room
