

Xi'an Jiaotong University

INTERNATIONAL UNDERGRADUATE PROGRAMS

2026

Xi'an Jiaotong University (XJTU), founded in 1896, is a national key university directly under the administration of China's Ministry of Education. As one of China's top ten research-intensive universities and a member of the C9 League—China's equivalent of the Ivy League—it operates as a comprehensive research university, encompassing 11 major disciplinary categories, including science, engineering, medicine, economics, management, humanities, law, philosophy, art, education, and interdisciplinary studies. Nearly 4,000 international students from over 130 countries and regions are currently pursuing their studies at XJTU. In 2013, the university was designated by China's Ministry of Education as a “Demonstration Base for International Education”. In 2024, XJTU achieved the highest rating of Class A+ in the re-certification of higher education quality for international students in China. In the 2025 Shanghai Ranking's Academic Ranking of Chinese Universities, XJTU secured the 10th position.

Eligibility

- Under the age of 25 and in good health. Applicants under 18 years old must provide a Guardian Authorization Letter
- Valid ordinary passport
- High school / senior secondary or advanced diploma (Applicants who are still in the last year of high school can provide the expected graduation certificate for applying while the official diploma must be provided before Sep 1st, 2026 upon enrollment)
- Language skills
 - > Chinese-taught program: Submit Chinese proficiency certificate. Proficiency must be above HSK 4 or equivalent. (Applicants who do not meet the language requirement are recommended to take Pre-university Foundation programs, and enroll in the degree program after passing the relevant review and exams. Only students who achieve HSK Level 4 or above are eligible to enter degree programs.. Information and details for the foundation program can be found on our website: <https://sie.xjtu.edu.cn/en/info/1165/2902.htm>)
 - > English-taught program: Submit English proficiency certificate. IELTS 6.0 or TOEFL 80 (or above), or other equivalent English proficiency certificates recognized by our university are accepted.
 - * Native speakers of Chinese or English can be exempted from the corresponding language proficiency certificate upon approval by XJTU.
- Comply with the regulations of the Ministry of Education's document. [2020] No.12 and the relevant regulations of our university.

Application Time

November1st, 2025 – June 30th, 2026

Application Documents

- Xi'an Jiaotong University Application form for international students. (Automatically formed after online application in XJTU system)
 - Notarized original or translated copies of senior high school graduation diploma, either in Chinese or English. Fresh graduates should provide the original expected graduation certificate issued by their school, and supplement the graduation document when registering
 - Transcripts
 - a) Notarized original or translated copies of high school academic transcripts, including courses taken, scores achieved, and clarification of the scoring system;
 - b) The transcript of the unified standardized examination in the student's home country or the internationally prevailing standardized examinations (such as A-Level, IBDP, etc.);
 - Language certificates such as HSK, TOEFL, and IELTS (applicants whose mother tongue is Chinese/English are free from the above certificate after getting approved from our school);
 - Scanned copy of the China Scholastic Competency Assessment (CSCA) transcript;
 - A recommendation letter written by the high school headmaster or teachers (email, phone number and signature should be included.);
 - Study plan written in English or Chinese with no less than 600 characters or words;
 - Scanned copy of valid foreign ordinary passport (validity period must extend at least six months beyond the intended date of enrollment);
 - Physical Examination Record for Foreigner (download at <http://sie.xjtu.edu.cn/en/2.pdf> and fill in Chinese or English. The applicant must strictly take all the examinations as required by the Form. Forms leaving a blank or absence of suggestion and signature of the doctor or seal of the hospital are invalid. The results are valid for six months.);
 - Non-criminal record within the validity period;
 - Other supporting documents. (if you have any)
- Notes:
- Documents that fail to meet the above requirements will be rejected;
 - Please provide documents 2-10 in scanned copy and upload to the online application system of XJTU;
 - Documents other than Chinese or English are required to be translated and notarized;
 - During the review process, the school may require students to submit other materials if needed.
 - Applicants for the Environmental Design program must possess a strong foundation in fine arts. During the interview, applicants are required to present a portfolio of their independently completed work, which must include sketches and/or color works.

Application, Admission, and Registration

- Take the China Scholastic Competency Assessment (CSCA)
Applicants are required to take the "CSCA Test" organized by the China Scholarship Council on behalf of the Ministry of Education of China and obtain the score report. Applicants can visit the official CSCA website (www.csc.cn) for specific test dates and content.
For specific test subjects required by XJTU, please refer to https://sie.xjtu.edu.cn/en/Programs/Degree_Program/Bachelor_Program.htm
- Online Application.
Log in online application system of School of International Education to upload the scanned copy of all the required documents;
Application system: <http://isso.xjtu.edu.cn/recurit/login>
- Pay the application fee to complete your application
The university will send an application fee payment notice for application through system information/email to those who pass the initial review. Application is completed only when the applicant pay fully the application fee within the required time. The registration fee is non-refundable.
- Admission
Admission will be granted to the most qualified applicants based on their academic records, language proficiency, CSCA results, and performance in the comprehensive interview. Applicants should pay close attention to the application system and registered email; and follow up the latest information for the academic review, pre-admission, tuition payment and acceptance information, etc.
- Registration
Admitted students should strictly follow the instructions of the admission documents to register. Registration will take place in early September 2026. The exact date will be specified in the admission letter. At the time of registration, the school will make a qualification review to re-evaluate the eligibility of the student. As part of the qualification review, the school will recheck all the documents and personal information of the student, including the identity information, original graduation certificates, and language proficiency certificates etc. The school will also check the behavior of the student to ensure that they are a law-abiding citizen and have maintained good moral conduct before the registration period. Those who fail to pass this qualification review will be disqualified from admission.

Fee Standard

Tuition fee (RMB/Year)

Chinese-taught Programs	Science & Engineering		Business/Economics/Humanities		Arts
	22,000		20,000		40,000
English-taught Programs	Electrical Engineering & Automation	Intelligent Manufacturing Engineering	Energy and Power Engineering	Materials Science and Engineering	Medicine
	180,000				40,000

Accommodation fee

Accommodation for international students is divided into three campuses: Xingqing, Yanta, and iHarbour. Accommodation will be uniformly arranged by the university according to the current policy annually. Students are required to book rooms online. The accommodation fee varies from RMB 8000 to 19000 every year. For more information: <http://sie.xjtu.edu.cn/>

Application fee

Self-sponsored program: RMB 500

Scholarship program: RMB 800

* The application fee is non-refundable regardless of admission results.

Scholarships

1. Chinese Government Scholarship

Please visit the website of www.csc.edu.cn for more detailed information. Applicants can apply through dispatching authorities for overseas study of their home countries. When filling the application form, applicants need to fill in "Xi'an Jiaotong University" as the first priority institution.

2. International Chinese Language Teachers Scholarship

Applicants need to apply through the International Chinese Language Teachers Scholarship Application System. For detailed information, please visit the website of the Center for Language Education and Cooperation of the Chinese Ministry of Education: www.chinese.cn.

3. XJTU International Undergraduate Freshman Scholarship

The Scholarship supports candidates who apply for and are admitted to non-medical undergraduate programs at XJTU. Applicants can submit their applications directly through the XJTU International Student Online Application System. The scholarship coverage is as follows: Highest Honor Scholarship (100% tuition waiver), First Class Scholarship (75% tuition waiver), Second Class Scholarship (50% tuition waiver), Third Class Scholarship (25% tuition waiver), Merit Scholarship (10%

tuition waiver). The scholarship covers the first year of undergraduate study. The following academic year shall be comprehensively evaluated according to the student's academic performance in the university.

4. Xi'an City Government Belt and Road Scholarship

Applicants should submit their applications through the Xi'an Jiaotong University International Student Application System. The scholarship applies to the first year of the degree program. The following academic year shall be comprehensively evaluated according to the student's academic performance in the university. For specific details, please pay attention to relevant notifications.

5. Shaanxi Sanqin International Student Scholarship, XJTU International Student Commendation Award

Shaanxi Sanqin International Student Scholarship and XJTU International Student Commendation Award are one-time awards. It supports on-campus self-funded international students. Self-funded students can pay attention to relevant notices from the university after enrollment and submit their application materials as required.

Programs List

English-Taught Programs

School/Center	Program	Teaching Language	Duration	Type of degree awarded
Health Science Center	MBBS	English	6 years	Bachelor of Medicine
School of Electrical Engineering	Electrical Engineering & Automation	English	4 years	Bachelor of Engineering
School of Mechanical Engineering	Intelligent Manufacturing Engineering	English	4 years	Bachelor of Engineering
School of Energy and Power Engineering	Energy and Power Engineering	English	4 years	Bachelor of Engineering
School of Materials Science and Engineering	Materials Science and Engineering	English	4 years	Bachelor of Engineering

Chinese-Taught Programs

School/Faculty	Program	Teaching Language	Duration	Type of degree awarded
School of International Education	★ Chinese Language （Business Chinese）	Chinese	4 years	Bachelor of Arts
School of Materials Science and Engineering	Materials Science and Engineering	Chinese	4 years	Bachelor of Engineering
School of Electrical Engineering	★ Electrical Engineering & Automation	Chinese	4 years	Bachelor of Engineering
	Energy Internet Engineering	Chinese	4 years	Bachelor of Engineering
Faculty of Electronic and Information Engineering	Electronic Science and Technology	Chinese	4 years	Bachelor of Engineering
	★ Computer Science and Technology	Chinese	4 years	Bachelor of Engineering
	Software Engineering	Chinese	4 years	Bachelor of Engineering
School of Law	Law	Chinese	4 years	Bachelor of Law
School of Public Policy and Administration	★ Public Administration	Chinese	4 years	Bachelor of Management
School of Management	★ Big Data Management and Application	Chinese	4 years	Bachelor of Management
	★ Business Administration	Chinese	4 years	Bachelor of Management
School of Chemistry	Chemistry	Chinese	4 years	Bachelor of Science
	Applied Chemistry	Chinese	4 years	Bachelor of Science
School of Mechanical Engineering	★ Mechanical Engineering	Chinese	4 years	Bachelor of Engineering
School of Finance and Economics	★ International Economics and Trade	Chinese	4 years	Bachelor of Economics
	Trade Economics	Chinese	4 years	Bachelor of Economics
	Electronic Business	Chinese	4 years	Bachelor of Economics
	Economics	Chinese	4 years	Bachelor of Economics
	Finance	Chinese	4 years	Bachelor of Economics
	Public Finance	Chinese	4 years	Bachelor of Economics
School of Energy and Power Engineering	★ New Energy Science and Engineering	Chinese	4 years	Bachelor of Engineering
	Energy and Power Engineering	Chinese	4 years	Bachelor of Engineering
	Environmental Engineering	Chinese	4 years	Bachelor of Engineering
	Nuclear Engineering and Technology	Chinese	4 years	Bachelor of Engineering
	Energy Storage Science and Engineering	Chinese	4 years	Bachelor of Engineering
School of Human Settlements and Civil Engineering	Science and Technology of Human Settlements (Big Data & Smart City)	Chinese	4 years	Bachelor of Engineering
	Science and Technology of Human Settlements (Structure & Geotechnique Engineering)	Chinese	4 years	Bachelor of Engineering
	Science and Technology of Human Settlements (Built Environment and Energy)	Chinese	4 years	Bachelor of Engineering
	Science and Technology of Human Settlements (Earth & Environment Sciences)	Chinese	4 years	Bachelor of Engineering
School of Humanities and Social Science	Philosophy	Chinese	4 years	Bachelor of Philosophy
	Sociology	Chinese	4 years	Bachelor of Law
	Chinese Language and Literature	Chinese	4 years	Bachelor of Arts
	Environmental Design	Chinese	4 years	Bachelor of Fine Arts
	Calligraphy	Chinese	4 years	Bachelor of Fine Arts
School of Life Science and Technology	Biomedical Engineering	Chinese	4 years	Bachelor of Engineering
	Biotechnology	Chinese	4 years	Bachelor of Science
School of Foreign Studies	English	Chinese	4 years	Bachelor of Arts
	Japanese	Chinese	4 years	Bachelor of Arts
	French	Chinese	4 years	Bachelor of Arts
School of Journalism and New Media	★ Network and New Media	Chinese	4 years	Bachelor of Arts
School of Chemical Engineering and Technology	Chemical Engineering and Technology	Chinese	4 years	Bachelor of Engineering
	Process Equipment and Control Engineering	Chinese	4 years	Bachelor of Engineering
School of Instrument Science and Technology	Measurement and Control Technology and Instrument	Chinese	4 years	Bachelor of Engineering
	Measurement and Control Technology and Instrument (Intelligent Sensing Engineering)	Chinese	4 years	Bachelor of Engineering
