WHAT YOU CAN LEARN

Summer Camp

2025 Xi'an Jiaotong University "Silk Road AI Pioneers" Summer School & International Students Partner School Presidents' Forum

In 2025, Xi'an Jiaotong University's "Silk Road AI Pioneers" Summer School will focus on artificial intelligence, featuring lectures by discipline leaders, high-level dialogues with renowned scholars, visits to cutting-edge tech companies, cultural immersion activities, and Mandarin experience courses. It aims to help global youth build a sci-tech network, experience culture-breaking empowerment through hardcore technology, and engage with emerging industry-education integration trends.

I. Program Highlights

- 1. Explore the Frontiers of Technology
- 2. Engage with Millennia of Civilization
- 3. Spark Future Innovations

II. Application Deadline

June 10, 2025

III. Program Duration

July 6 to July 13, 2025

IV. Application Eligibility

Applicants must:

- 1. Be non-Chinese citizens with valid ordinary passports;
- 2. Be aged between 16 to 30 years old and in good health.

Xi'an Jiaotong University STEM Academy Program

This summer, Xi'an Jiaotong University (XJTU) proudly presents the STEM Academy program, "Engaging with Technology, Shaping the Future Together" for young Science Explorers from around the globe.

Program Highlights

- Cutting-Edge Science and Technology
 - Globally Leading Scientists Team
 - Joining World-Class Research Labs and "Shaping the Future" Together
 - Visiting Leading Science and Innovation Parks

Immersing in the Historical and Cultural Charms of Xi'an

- Dedicated Instructor Team
- University Application Consultancy
- Intercultural Friend-Making

Undergraduate Degree Programs

English-Taught Engineering Programs

Leveraging its globally leading disciplines in Mechanical Engineering, Electrical Engineering, and Energy & Power Engineering, XJTU offers one of the most industry-integrated, faculty-rich, and practice-oriented English-taught undergraduate engineering programs worldwide. Both long-term and short-term exchange opportunities are available to global students.

I. Programs Offered

- Electrical Engineering and Automation
- Intelligent Manufacturing Engineering
- Energy and Power Engineering

II. Program Highlights

- 1. Globally Leading Disciplines
- 2. Cutting-Edge Technologies Integration
- 3. World-Class Faculty
- 4. Practice and Career-Driven
- 5. Global Network Empowerment

III. Application Schedule

November 1 – July 15 of the following year

IV. Program Duration

4 years

V. Application Eligibility

Applicants must:

- 1. Be non-Chinese citizens with valid ordinary passports;
- 2. Be aged between 18 to 25 years old and in good health;
- 3. Hold a High school / senior secondary or advanced diploma;
- 4. Provide English proficiency certificate. IELTS 6.0, TOEFL 80, or Duolingo English Test 110 (or above) are acceptable. Native speakers of English can be exempted from the language proficiency certificate after being recognized by our university;
- 5. Comply with the regulations of the Ministry of Education's document. [2020] No.12 and the relevant regulations of our university.

English-Taught Medical Programs

Established in 1995, XJTU pioneered China's first English-taught MBBS program and launched its BDS program in 2014. With over 2,000 medical and 100 dental graduates from more than 63 countries, the programs combine rigorous academics with clinical training at XJTU's Class A tertiary hospitals.

I. Programs Offered

MBBS (Bachelor of Medicine and Bachelor of Surgery)
BDS (Bachelor of Dental Surgery)

II. Program Highlights

1. Pioneering English-Taught MBBS in China
2. Comprehensive Clinical Training
3. World-Class Dental Education
4. Globally Recognized Degrees

III. Application Schedule

November 1 – June 30 of the following year

IV. Program Duration

6 years

V. Application Eligibility

Applicants must:

1. Be non-Chinese citizens with valid ordinary passports;
2. Be aged between 18 to 25 years old and in good health;
3. Hold a High school / senior secondary or advanced diploma;
4. Provide English proficiency certificate. IELTS 6.0, TOEFL 80, or Duolingo English Test 110 (or above) are acceptable. Native speakers of English can be exempted from the language proficiency certificate after being recognized by our university;
5. Comply with the regulations of the Ministry of Education's document. [2020] No.12 and the relevant regulations of our university.

English-Taught Double Degree Program

The Industrial Design program at the XJTU-POLIMI Joint School of Design and Innovation is established through a powerful collaboration between Xi'an Jiaotong University—renowned for its strong engineering foundation—and Politecnico di Milano, a global leader in design education. By combining their strengths, the program leverages world-class resources in both design and engineering, aiming to build a world-leading discipline that merges intelligent technology, digital innovation, and artistic creativity.

I. Program Offered

Industrial Design

II. Program Highlights

1. Double degree Program between Top-tier Institutions
2. Interdisciplinary Integration of Engineering and Art
3. Digital Innovation in the Smart Era
4. Cutting-edge English-taught Curriculum

III. Application Schedule

November 1 – June 30 of the following year

IV. Program Duration

4 years

V. Application Eligibility

Applicants must:

1. Be non-Chinese citizens with valid ordinary passports;
2. Be aged between 18 to 25 years old and in good health;
3. Hold a High school / senior secondary or advanced diploma;
4. Provide English proficiency certificate. IELTS 6.0, TOEFL 80, or Duolingo English Test 110 (or above) are acceptable. Native speakers of English can be exempted from the language proficiency certificate after being recognized by our university;
5. Provide ENGLISH TOLC-I score of at least 30;
6. Comply with the regulations of the Ministry of Education's document. [2020] No.12 and the relevant regulations of our university.
