For More Information

XI'AN JIAOTONG UNIVERSITY

Founded in 1896, Xi'an Jiaotong University (XJTU) is a top-tier Chinese university directly under the Ministry of Education and a member of the C9 League —China's Ivy League. Ranked 92nd in the world by the 2025 Shanghai Ranking and with its **Engineering discipline ranking in the top 0.01% globally** (9th worldwide, 2024 ESI data), XJTU is a pioneer in international education. As one of the first "Demonstration Bases for International Student Education," the university has trained over 3,900 international students from 136 countries. Leveraging its globally leading disciplines in **Mechanical Engineering, Electrical Engineering, Energy & Power Engineering** and **Materials Science & Engineering**, XJTU offers one of the most comprehensive, faculty-rich, and practice-oriented English-taught undergraduate engineering programs worldwide.

Cutting-Edge Technologies Integration

- Shape the future of industries with courses covering Industry 4.0, smart grids, fusion energy, and other cutting-edge fields driving the energy and manufacturing revolution.
- Foster interdisciplinary innovation by integrating AI, big data, and the metaverse to cultivate cross-disciplinary engineering leaders.

World-Class Faculty

- Full-time faculty members are graduates of top global institutions such as **Oxford, EPFL, the University of Tokyo, and Tsinghua University.**
- Guest lectures and forums by academic leaders, including **Cambridge scholars** and **Nobel laureates**, to broaden cross-disciplinary cultural perspectives.
- A distinguished teaching team led by **academicians** delivers frontline instruction to undergraduate students.

UNIVERSITY OF OXFORD

École Polytechnique Fédérale de Lausanne

THE UNIVERSITY OF TOKYO

Tsinghua University

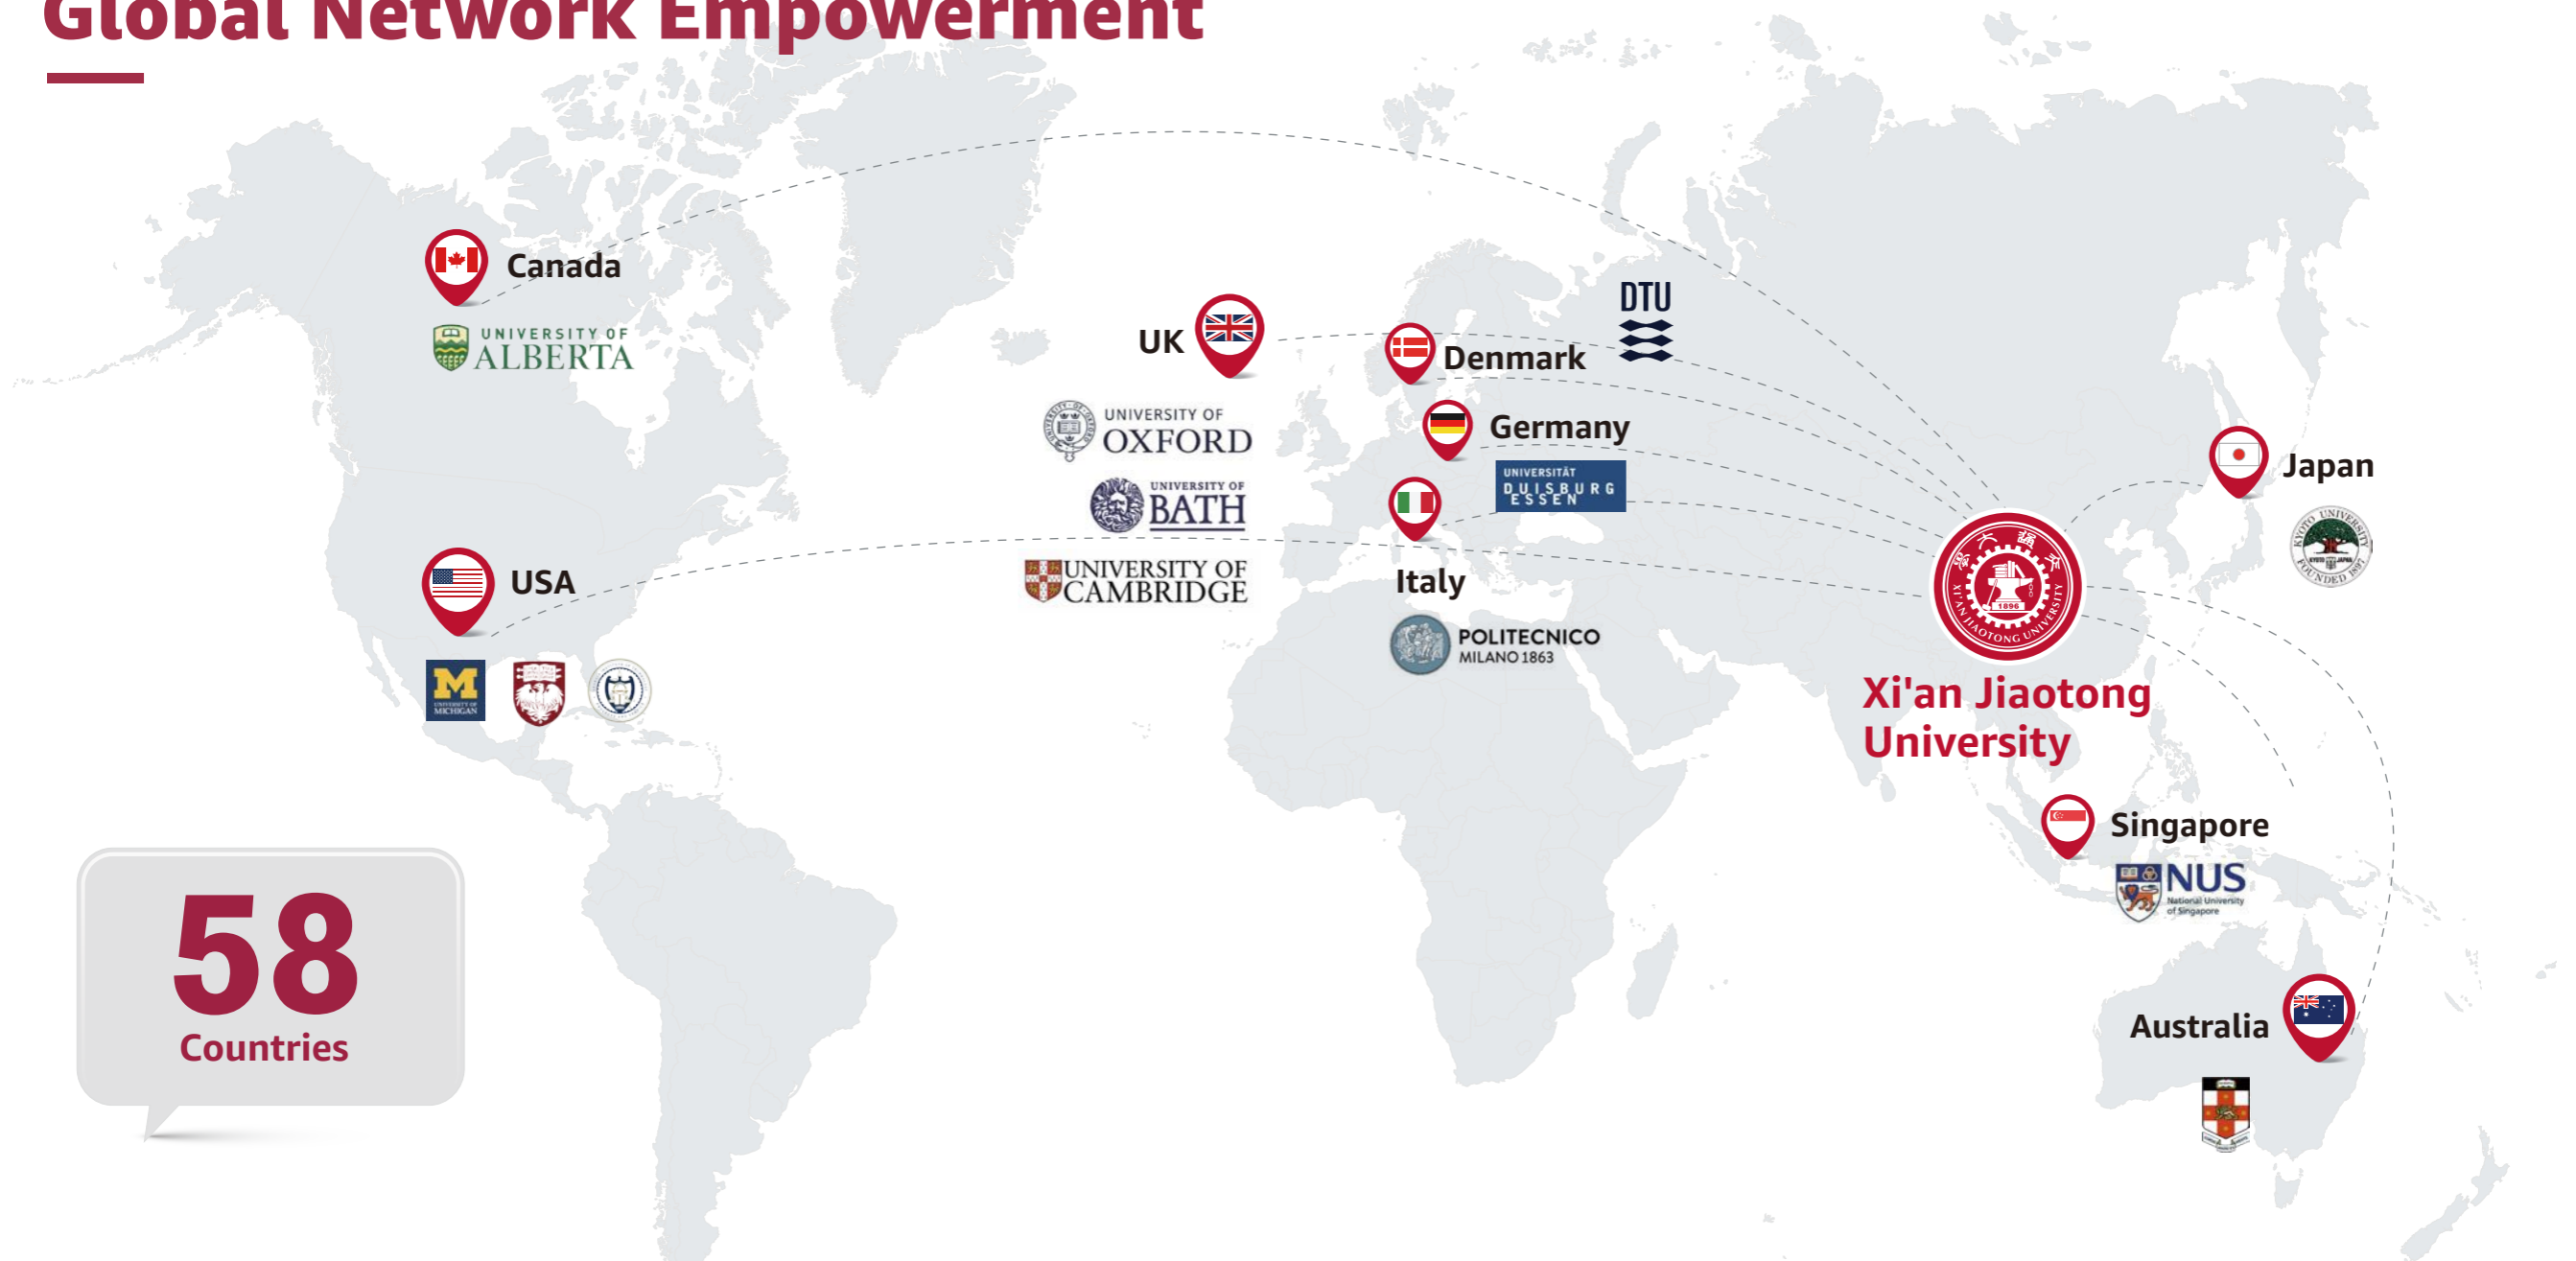

Practice and Career-Driven

- Industry-academia collaboration with **global leaders** like Huawei, BYD, and State Grid for internship practice.
- Graduates are highly sought after by top-tier companies in energy, manufacturing, and technology sectors, with direct access to core industry roles.

Global Network Empowerment

- Accredited by the Washington Accord, enabling graduates to pursue further studies or employment in 58 member countries, including the US, UK, and Australia.
- Exchange programs with prestigious universities like Cambridge, Bath, Politecnico di Milano, and the National University of Singapore to expand global perspectives.
- Study alongside future global elites and build a cross-cultural professional network.
- A comprehensive platform for academic, professional, and networking growth.

APPLICATION INFORMATION

Programs Offered:

- 🔗 Intelligent Manufacturing Engineering
- 🔗 Materials Science and Engineering
- 🔗 Electrical Engineering & Automation
- 🔗 Energy and Power Engineering

Tuition:

180,000 RMB/year

Scholarship:

XJTU International Undergraduate Freshmen Scholarship
Xi'an City Government Belt and Road Scholarship

Scholarships covering up to 100% of tuition and monthly allowance available for the 1st year's study. The following academic year shall be comprehensively evaluated according to the student's academic performance in the university.

Application Deadline:

Phase One: November 1st, 2025 - December 31st, 2025
Phase Two: January 1st, 2026 - April 30th, 2026
Phase Three: May 1st, 2026 - June 30th, 2026

Enrollment Capacity:

Limited to 40 students globally

XJTU Application System:

<http://isso.xjtu.edu.cn/recruit/login>

Eligibility

1. Under the age of 25 & with good health status (Guardian authorization is required for those under 18 years old)
2. Valid ordinary passport
3. High school / senior secondary or advanced diploma (Applicants who are still in the last year of high school can provide the expected graduation certificate for applying while the official diploma must be provided before Sep 1st, 2026 upon enrollment)
4. Comply with the regulations of the Ministry of Education's document. [2020] No.12 and the relevant regulations of our university.

Application Process

1. Log in to the Xi'an Jiaotong University online application system:
<http://isso.xjtu.edu.cn/recruit/login>;
2. Select the English-taught Leading Disciplines Undergraduate Programs;
3. Submit the program application by following the application instructions and uploading the required documents;
4. Pay the application fee (non-refundable)
5. Pay close attention to the application system and registered email for the latest information for the academic review, pre-admission, tuition payment and acceptance information, etc.

Application Documents

1. Xi'an Jiaotong University Application form for international students. (Automatically formed after online application in XJTU system)
2. Notarized original or translated copies of senior high school graduation diploma, either in Chinese or English. Fresh graduates should provide the original expected graduation certificate issued by their school, and supplement the graduation document when registering
3. Transcripts
 - a) Notarized original or translated copies of high school academic transcripts, including courses taken, scores achieved, and clarification of the scoring system;
 - b) The transcript of the unified standardized examination in the student's home country or the internationally prevailing standardized examinations (such as A-Level, IBDP, etc.);
4. Language certificates such as TOEFL 80, IELTS 6.0, and Duolingo English Test 110 (or above), or other equivalent English proficiency certificates recognized by our university are accepted (Native speakers of English can be exempted from the corresponding language proficiency certificate upon approval by XJTU.);
5. Scan of China Scholastic Competency Assessment (CSCA) transcript (Applicants are required to take the "CSCA Test" organized by the China Scholarship Council on behalf of the Ministry of Education of China and obtain the score report. Applicants can visit the official CSCA website (www.csc.cn) for specific test dates and content. A supplementary submission of CSCA transcript during the comprehensive review stage is acceptable.);
6. A recommendation letter written by the high school headmaster or teachers (email, phone number and signature should be included.);
7. Study plan written in English or Chinese with no less than 600 characters or words;
8. Scanned copy of valid foreign ordinary passport;
9. Physical Examination Record for Foreigner (download at <http://sie.xjtu.edu.cn/en/2.pdf> and fill in Chinese or English. The applicant must strictly take all the examinations as required by the Form. Forms leaving a blank or absence of suggestion and signature of the doctor or seal of the hospital are invalid. The results are valid for six months.);
10. Non-criminal record within the validity period;
11. Guardian authorization letter for the applicants under 18 years old (download at https://sie.xjtu.edu.cn/en/Application_Guide/Data_Download.htm);
12. Other supporting documents. (if you have any)

Notes:

- a. Documents that fail to meet the above requirements will be rejected;
- b. Please provide documents 2-10 in scanned copy and upload to the online application system of XJTU;
- c. Documents other than Chinese or English are required to be translated and notarized;
- d. During the review process, the school may require students to submit other materials if needed.

Please refer to the official website (<https://sie.xjtu.edu.cn/en/info/1119/2943.htm>) for detailed instructions and information on XJTU undergraduate programs application.
