

ENGLISH-TAUGHT LEADING DISCIPLINES UNDERGRADUATE PROGRAMS FOR VISITING STUDENT

About Xi'an Jiaotong University (XJTU)

Xi'an Jiaotong University (XJTU), founded in 1896, is a national key university directly under the administration of China's Ministry of Education. As one of China's top ten research-intensive universities and a member of the C9 League—China's equivalent of the Ivy League—it operates as a comprehensive research university, encompassing 11 major disciplinary categories, including science, engineering, medicine, economics, management, humanities, law, philosophy, art, education, and interdisciplinary studies.

Nearly 4,000 international students from over 130 countries and regions are currently pursuing their studies at XJTU.

Why Partner with XJTU in English-taught Leading Disciplines Undergraduate Programs?

1. **A Top 100 Global University:** No.92 globally (ARWU 2025) with strong demand for STEM programs
2. **Top Global Disciplines:** Mechanical Engineering - No.1 worldwide (U.S. News 2025), Energy Science & Engineering - No.4 worldwide (U.S. News 2025), 6 disciplines (Materials Science and Engineering included) - global top 1‰ (ESI 2024), Engineering – global top 1‰ (No.9, ESI 2024)
3. **Global Network Empowerment:** Long-standing tradition of innovation and global collaboration, accredited by Washington Accord
4. **Practice and Career-Driven:** High-level training, advanced laboratories, and strong industry connections
5. **International Community:** International students from 130+ countries and regions, comprehensive student support and modern campus facilities
6. **Location in Xi'an:** a historic city and hub of the "Belt and Road"

The four flagship programs include

Intelligent Manufacturing Engineering

With the rise of Industry 4.0, this program integrates robotics, automation, and digital manufacturing, preparing students to lead in intelligent production, industrial design, and high-tech innovation sectors.

Energy and Power Engineering

As one of XJTU's strongest fields (Top 3 worldwide), the program focuses on sustainable energy, power systems, and innovative energy technologies. Graduates are highly sought after in the fields of renewable energy, smart grids, and energy management.

Electrical Engineering and Automation

Globally ranked and widely recognized, this program covers electronics, control systems, and automation engineering. It opens career pathways in power systems, telecommunications, AI-driven automation, and international engineering projects.

Materials Science & Engineering

Ranked among the top globally, this program emphasizes advanced materials research and applications, equipping students for careers in aerospace, electronics, renewable energy, and high-tech manufacturing.

Application Schedule

Application deadline:

January 11(Spring semester)/June 30(Fall semester)

Nomination deadline (for institution nomination only):

December 31(Spring semester)/June 15 (Fall semester)

Program Duration

Students can choose one semester or 1 - academic - year visiting program based on your learning schedules.

Application Documents

Application Eligibility

1. Applicants must be non-Chinese citizens with valid ordinary passports;
2. Applicants must be in good health;
3. Applicants should have completed high school diploma or above and be under 45 years of age;
4. Applicants must possess relevant academic background and basic English proficiency (IELTS 6.0, TOEFL 80, or Duolingo English Test 110 (or above)).

Application Process

Log in to the Xi'an Jiaotong University online application system: <http://isso.xjtu.edu.cn/recruit/login>, select the "Visiting Scholar" program—

Visiting Students for Non-medical English-taught Bachelor Programs, fill in the required information, upload documents, and click submit to complete the application.

Tuition Fee

RMB 180,000 per academic year; RMB 90,000 per semester

Scholarships

Applicants may be awarded scholarships at different levels, covering 10% to 100% of tuition fees by the university, based on their comprehensive background and performance in the academic review.

All documents must be complete, true, and correct

1. Scanned copy of valid ordinary passport
2. XJTU Application Form for International Students (Automatically formed after online application in XJTU system.)
3. Completed Physical Examination Record for Foreigners and required Blood Test Report
The physical examination must cover ALL the items listed in the form. (Download at <http://sie.xjtu.edu.cn/en/2.pdf> and fill in English.) The forms with incomplete records or without the suggestion and signature of the attending physician, an official cross-edge stamp of the hospital or a sealed photograph of the applicant are invalid. Please select the appropriate time to take a physical examination as the result is valid for only 6 months.
4. Non-criminal Record within the validity period
5. Original Highest Diploma and Its Notarized Copies
6. Original and notarized copies of transcripts. The transcript should be issued and stamped by the Academic Affairs Office or the relevant student administration department of the school.
7. Applicants are required to provide a study plan
8. Recommendation Letter(s)

** If the applicant is recommended by institution, kindly provide the recommendation form as an attachment to prevent any mistakes.*

Tips:

Medical insurance

Students are required to purchase medical insurance according to the university's regulations, with an estimated cost of around RMB 800 per year.

Estimated living expenses

Around RMB 1,000–1,500 per month, depending on personal lifestyle.

Accommodation
